Audiences RAVE about Mike's Presentations

Mike's presentation was great. This information will really help me with my career. Mike really listened to the participants and helped with real world issues. I will apply several of the ideas immediately.

Adrienne VanSpeybroek IT Project Leader of the CIO Ameriprise Financial

Many elements were so simple and yet so powerful. I will use these with my team right away.

Eric Myers Project Estimator PMI of Iowa – Industrial Construction & Services Solutions

There was great interaction and participation. I loved the interaction among tables.

Busayo Okusanya Clinical Project and Program Management Boston Scientific

I liked that he provided the science behind why we do, what we do, and how to improve attitude of folks. I will begin implementing listening first thing.
